Not Wanted

Adverting to correspondence ending with your letter No L 6336/ M1 8&43-17 dated 2nd December 1943 addressed to the Revenue Commissioner in Mysore, Bangalore regarding the transfer of Mr G Abdul Aziz, Market Inspector, Robertsonpet Market, I have the honour to invite kind reference to this office letter No C 211/42-43 dated 15th June 1943 in the matter and to state that the question of his transfer arose in connection with the improvement of his prospects, i e , with a view to give him some promotion in view of his good work in the market and the pains taken by him to improve the revenue and the collections If he has now to be transferred now to the Revenue Department or to some other Local Body, he will have to be posted either as a Taluk Sheristedar or the Head Clerk or Head Accountant of some other office As he does not possess the Departmental qualifications required for these posts, the Revenue Commissioner was requested to promote the official as a District Treasurer in view of his previous experience in the Revenue Department, by granting him exemption from passing the Accounts Higher examination The Revenue Commissioner has written to say that it is not possible to support the case of the official for exemption, perhaps because he is only 42 years of age The official has therefore been directed to make an earnest attempt to pass the exam[illegible]

I request that he may be kindly allowed to continue here for some more time and given two more chances to pass the examination, as it would be a hard-ship for the official to transfer him to a post for which he is not qualified and to deprive him of a chance of promotion

His work here has been quite satisfactory

I have the honour to be,
Sir,
your most obedient servant,

For President

Adverting to your letter No ,10721/L B dated 1-5-1943 forwarding a copy of petition dated the 2[illegible]th April 1943 addressed to the Minister for Local Self Government and Public Health by Mr G Mohamed Ali,Ex-Vice-President,Town Municipal Council, Tumkur, praying that his younger brother Mr G Abdul Aziz,who is the Market Inspector at the Robertsonpet Market may be transferred to any Department in Bangalore, I have the honour to state that Mr G Abdul Aziz has been working as Market Inspector from 29-10-1935 and is now in receipt of a pay of Rs 80/-in the grade of Rs 60-4-80 He has passed the University Entrance (First year B A course) Revenue Higher and Registration examinations His work has been uniformly good throughout his service about 18 years and the Market Revenue has shown a steady improvement under him. His Service Register and Character book are enclosed for reference

On grounds of ill-health,the official prays that he may be given a change from this place His application praying that he may be transferred to the Registration Department either as a clerk or as a Sub-Registrar or to the Secretariat or to the Ministerial establishment of any of the Heads of Departments is enclosed As he is a deserving official,I commend his prayer for favourable consideration

Copy of letter No M,1-C 57/43-44 dated 4th May 1944 from the President, K G F Sanitary Board to the Revenue Commissioner,in Mysore,Bangalore

---

In continuation of this office letter of even No of the 12th January 1944,recommending in the circumstances mentioned therein, that Mr. Abdul Aziz,Market Inspector on Rs 30/-in the grade of Rs 60-4-80 may be kindly promoted as District Treasurer against an existing vacancy,I have the honour to forward herewith,for favour of sympathetic consideration,a further representation submitted by the official in this connection praying in the peculiar circum-stances mentioned therein that he may be kindly exempted from passing the Accounts Higher examination,and to state as follows

1 The official represents that his long stay of over 8 years within the precincts of the Robertsonpet market and his unlimited hours of work have impaired his health as a result of which he had to go on long leave on three occasions during the past about three years Though he is a little above 42 years of age,he looks older than what he is as his health has been impaired due to the arduous nature of his duties and in view of the unlimited hours of his work within the premises of the busiest place of this area, Viz,the Robertsonpet market, with the result that the state of his health does not admit of his serious application to studies I under-stand that he made honest attempts for securing a pass in the Accounts examination,on two occasions in 1933 and 1934 and that on both the occasions he was not successful Though he has not secured a pass in the said examination,I do not think that this has to be regarded as a disqualification in his case,in view of the fact that he is fully conversant with the Account principles and procedure as a result of his long service in the cash and several other branches of the Revenue Department as could be seen from his Service register I consider that he is best suited for the post of a District Treasurer and will do well if he is appointed as such

2. The official had on a previous occasion submitted a representation praying that he may be transferred to the Regis-tration Department in which he is duly qualified or to the

Ministerial establishment of any of the Heads of Departments and his application had also been submitted to Government recommending his prayer, vide this office letter o C 21½/42-43 dated 15th Jure 43 It was on this reference that Government were pleased to pass orders directing that he may be transferred to the Revenue Department or to some other Local Body, Vide letter No L 6336/MI 28-43-17 dated 22nd December 1943 addressed to you by the Secretary to Government, Law Department Though the official was started on Rs 40/- so far back as 1925, he is still drawing Rs 80/- and has not had suitable increase to his pay inspite of his very good work His long stay in the Market the revenue of which has increased considerably due to his efforts, and the consequent ill-health have contributed in a large measure to his stagnation on the same pay and have rendered his health so delicate as to disable him from passing the Accounts examination

3 As the case of this official is a very hard one deserv-ing of special consideration and as by his rich experience he is well suited for the post of a District Treasurer, I request that sanction of Government may kindly be obtained to exempt him from passing the Accounts Higher examination and to appoint him as a District Treasurer Kind reference is invited also to this office letter of even No dated 12th January 1944 wherein his case has been explained and with which his character book and Service Register have been submitted for - reference
